

Clackamas Community College **Degree Partnership Programs**

What are Degree Partnerships?

Through Clackamas Community College's Degree Partnership Program, you can be jointly admitted and eligible to enroll concurrently at CCC and our university partners.

Why choose Degree Partnerships?

- Easy application process for CCC and PSU, OSU, or OIT
- Smooth transition from community college to university
- Most affordable route to your degree (You pay each school's respective tuition rate.)
- Coordinated financial aid and scholarships for qualified students
- 4-year school advisors available at both campuses
- Flexible scheduling with more courses options
- Access to student services and college activities at both institutions

How do I get started?

Visit the CCC Degree Partnerships website for complete information including:

- Application
- Admissions Requirements
- Financial Aid Information
- Advising Resources
- Contact Information
- And answers to Frequently Asked Questions
