Recommendations referred to work groups already in place include:

- **Student e-Mail and Portal Taskforce**
  #4. It is recommended that Clackamas heavily promote the implementation of the new web portal for students, as a way of preparing them for increased reliance on technology-enhanced self service.

- **Outreach & Student Leadership Department**
  #18. It is recommended that Clackamas enable the Outreach Department to conduct a minimum one-day planning retreat with staff to develop recruitment and communication plans for new students. The ideal timing for this planning is June to develop proactive plans for the next academic year.

- **Extended Learning Division**
  #19. It is recommended that Clackamas assess the return on investment and alignment with institutional priorities regarding the High School Partnership efforts and adjust Outreach staffing accordingly.
